Dear Members

The Board of Directors recently received an anonymous letter from someone claiming to be a Durri ACMS Member.

The letter is dated the 31<sup>st</sup> Jan 2016.

In order that the Board can address the letter and respond accordingly to the respective member, can the member please identify themselves to me so that the Board can consider the issues that you have raised.

The Durri Board recognises that the organisation has been through some turmoil in recent years but is committed to getting Durri back to the Health Service provider it was once recognised as.

This will include responding to Durri Members and community with any concerns which may be raised.

Yours truly

Alison Martin  
Chairperson  
Durri Aboriginal Corporation Medical Service
